*Notice of Policy by the Minister for Education and Child Development*

PURSUANT to Regulation 60(2)(a) of the *Education Regulations 2012*, I, the Minister for Education and Child Development publish the following Capacity Management Plan for the purposes of the enrolment of a child at the Walkerville Primary School:

**CAPACITY MANAGEMENT PLAN***Walkerville Primary School*

This Capacity Management Plan sets out conditions for enrolment at Walkerville Primary School (“the school”).

**Capacity of School**

The school has a current estimated built capacity of 700 students.

**Criteria for Enrolment**

Applications for enrolment from parents of prospective students in all year levels living outside the school zone will only be accepted if capacity permits and if enrolment has been offered to all applicants listed on the enrolment register.

**Year level: Reception**

The number of students entering at Reception in any given year is limited to 90 students.

Priority consideration will be given to applications for enrolment from parents of prospective reception students to attend the following school year, if they have been living inside the school zone prior to 31 October and whose application is received by this date.

If more than 90 applications for enrolment are received from parents living in the school zone by 31 October, places will be offered based on whether any or a combination of the following applies:

- the child has siblings at the school,
- the length of time the child has lived in the school zone,
- the distance of the child’s residence from the school.

The school will notify parents of the outcome of this process by the second week of November. Unsuccessful applications will be placed on the enrolment register, and referred for enrolment to other neighbouring schools.

Families who move into the school zone after 31 October will only have their applications considered if or when vacancies exist, with priority consideration afforded to those applicant’s already on the enrolment register. If no vacancies exist the applicants, upon request, can be placed on the school’s enrolment register and referred for enrolment to other neighbouring schools.

*Intensive English Language Centre (IELC) students*

Any Reception student offered enrolment at the school and who is eligible to attend an Intensive English Language Centre (IELC), will be able to attend an IELC during reception and begin Year 1 at the school the following year.

*Out of zone applications with siblings currently at the school*

Applications for enrolment from parents of prospective Reception students, who live outside the school’s zone and have older siblings who currently attend the school will only be given consideration for enrolment if:

- all Reception applications from parents of children living in the school zone have been considered including those already on the enrolment register, and
- the school is under its student enrolment limit of 90 Reception students as at 31 October.

In these cases, places will be offered based on the distance of the child’s residence to the school and other personal needs.

**Year levels: 1 to 7**

Applications for enrolment from parents of prospective students living inside the school zone will be considered if or when vacancies exist, with priority consideration afforded to those applicants already on the school’s enrolment register.

In these cases, applications will be considered based on siblings at the school, the length of time the child has lived in the school zone and the distance of the child’s residence from the school.

The school will notify parents as and when their application has been determined if a vacancy is available for their child to attend the school.

If no vacancies exist, the applicants will be referred for enrolment to other neighbouring schools and upon an applicant’s request placed on the school’s enrolment register.

A child's name appearing on either document is confidential and will only be disclosed as required by law.

### **Enrolment Process**
