
EDSMART – CONSENT AND PAYMENTS

New Excursion and Incursion Consent & Payment Process

With Edsmart, parents and carers can complete consent forms and make payments all in one place, simplifying the way you manage school activities.

Families can complete the EdSmart payment consent form by following these steps:

1. **Receive the Parent Slip:** Schools send a Parent Slip to parents or caregivers, which includes the consent form and payment details.
2. **Click the Link:** Parents or caregivers click the link in the email to access the secure web page with the form.
3. **Complete the Form:** Fill out the form with the required information.
4. **Submit the Form:** Click 'Submit' to send the form back to the school. (Not all slips will have this step)
5. **Payment Process:** If the form includes payment details, parents can complete the payment through EdSmart Payments, which is covered by the school.
6. **Confirmation:** After the payment is successful, a confirmation message will appear, and parents must click '**Submit Response**' to complete the Slip.

This process ensures that families can easily and securely complete the consent form and payment at their convenience.

You can access the forms on various devices, including smartphones, tablets, and desktop computers. If you experience any issues completing or submitting a consent form on one device, please try using a different electronic device.

Learn more about EdSmart at <https://edsmart.com/parents>.

If you are having any difficulties in completing and submitting a consent form please contact us on 8344 3649 or email dl.0457.admin@schools.sa.edu.au.

***Please Note:** QKR will still be our preferred payment method for all other school payments.
